Warnings:

- Water running from the tap is not potable, please do not drink it.
- Please do not throw paper in the toilet as there is a high risk of blocking the sewer. You may use the trash bin that is under the sink.
- Bed sheets may be destroyed by the sunscreen, so please remove it from your body before you lay on your bed.
- Do not hesitate to use external waste and recycling bins.
- All doors and windows can be tilted.
- Window screens need to be stretched, otherwise may jump off their rails by the wind. If they do, please do not force them close, just place them back on rails and close them properly.
- You may find it convenient when you open doors or windows to close the sunshade first.
- Watch out the gap when you are leaving the parking lot as there is a risk of falling over.
